AMENDMENT AND REQUEST FOR RECONSIDERATION
UNDER 37 C.F.R. § 1.111

Commissioner for Patents
Washington, D.C. 20231

Sir:

In reply to the Office Action dated April 10, 2002, please amend the above-identified application as follows:

In the Specification:

Applicant has made numerous changes to the written description in order to improve the readability thereof. Submitted herewith is a substitute specification containing the changes made to the written description and abstract. No new matter has been added. Also enclosed is a mark-up copy of the changes made to the substitute specification. The claims do not appear in the substitute specification and are treated separately below.

In the Claims:
